DIOCESE OF LEEDS The PM has delayed the lifting of all Covid restrictions to 19 July 2021. The following guidance assumes that the established diocesan requirements for churches to be open are in place. In particular, the maximum safe operating capacity of the church (in our case 30) must continue to be observed. The limit on attendance at Weddings & Funerals is the safe capacity of the Church building.

Face Coverings are required by law to be worn in places of worship. The presiding celebrant in the sanctuary, providing they are sufficiently distant (2m or more) from the congregation, does not need to wear a face covering.

Social Distancing and the Limitation on Numbers Attending Mass In the Diocese of Leeds, the following guidance should be maintained: The 2m social distancing requirements should be applied wherever possible. Good ventilation of the sacred space (especially during and between services) remains important.

Managing Church Access Parishes should continue to operate the registration arrangements which they have in place for those wishing to attend the celebration of Mass and at liturgies where the numbers may need to continue to be restricted to the safe capacity of the church. QR Codes & Booking systems for liturgies should be in place.

Congregational Singing, Choirs and Music Indoor congregational singing remains prohibited.

The Communion Rite The physical exchange of a Sign of Peace remains suspended at this time. This will be kept under review.

Cleaning of Churches General cleaning to a good standard, using generally available cleaning fluids, with attention to frequent touchpoints is the standard to continue. If someone has tested positive for Covid-19 who has used your church premises in the last 24 hours, and you are aware of this, then you should ensure the building is cleaned thoroughly using ordinary detergents. That does **NOT** mean a “deep clean”, which is not necessary.

REMEMBER, if your health is not good and you are vulnerable, if you have a cough or cold or temperature you should stay at home.

FAITH & REASON A Catholic Integration will run from Thursday 5 to Sunday 8 August. The 3-day course will be led by two excellent and experienced lecturers and tutors, who have taught at the Maryvale Institute for many years and worked with many dioceses and seminaries around the UK and abroad. The course will offer lectures and discussion around common themes related to the rationality of the Catholic Faith, dealing with many frequently-asked questions, for example around the relationship of faith and science. We are offering residential options as well as non-residential, for those more local and wishing to drive in daily. The course will go ahead assuming the lifting of Covid restrictions in July. Any bookings will be fully refunded in the event of an inevitable cancellation. More information and registration is at: <https://christianheritagecentre.com/events/faith-and-reason/>

ASK YOUR MP TO VOTE AGAINST ABORTION UP TO BIRTH

The abortion lobby, led by the UK's largest abortion provider, BPAS, has worked with Diana Johnson MP to bring forward an amendment to hijack the Police, Crime, Sentencing and Courts Bill to **introduce abortion on demand, for any reason, up to birth** to England and Wales.

This would be the single biggest change to abortion legislation since 1967 and would leave England and Wales with one of the most extreme abortion laws in the world. We are expecting that this radical proposal will be voted on by MPs this Monday.

Right To Life UK has launched an easy-to-use tool that makes it simple for you to send an email to your MP asking them to vote against the motion. Please click the link below to contact your MP now. It only takes 30 seconds!
