PRAYER INTENTIONS OF THE HOLY FATHER POPE FRANCIS FOR SEPTEMBER 2021

Please remember in your prayers the following intention:

An environmentally sustainable lifestyle

We pray that we all will make courageous choices for a simple and environmentally sustainable lifestyle, rejoicing in our young people who are resolutely committed to this.

FR MICHAEL SHARRATT RIP It is with great sadness that I inform you that Fr Michael Sharratt, a priest of the Diocese of Hexham and Newcastle, died yesterday evening, Wednesday 25 August, in the Freeman Hospital, Newcastle-upon-Tyne, following a short illness. Many of our diocesan clergy will have known Michael from his many years teaching at Ushaw College and I know you will keep him and his family in your prayers. Eternal rest grant unto him, O Lord, and let perpetual light shine upon him. May he rest in peace. Amen.

MAY SHE REST IN PEACE

Please remember in your prayers Maureen McMahan, nee Gray.

Please pray for Neil her son and her family and friends. Eternal rest grant unto her O Lord. And let perpetual light shine upon her. May they rest in peace. Amen.

THE MARK 10 MISSION TEAM are back for the new school year! We have been busy creating new children's liturgies for the Autumn term and can't wait for you to see them. Our first episode, sharing the Gospel for this coming Sunday, will be available online Friday 3 September.

Once again, each week we will be sharing the Gospel, praying and worshipping together. We want as many children as possible to encounter Jesus for themselves and so our online episodes are completely free to everybody. We would be so grateful if you could share the good news of The Mark 10 Mission as widely as possible. Our prayer is that all children in our Catholic schools can experience real relationship with Jesus and build a resolute and active faith in a God who loves them.

We are delighted to announce that Bishop Marcus Stock, Bishop of Leeds and Chairman of The Catholic Education Service has joined the Mark 10 Mission team. Bishop Marcus will be reading some of the Gospels and prayers this term. We hope you can watch and share our promo video 'What is the Mark 10 Mission' and are as excited as we are to continue on this incredible journey! Click on [Video - What is The Mark 10 Mission?](#)

With our prayers and best wishes for the new academic year, The Mark 10 Team.

CAFOD RESPONDING TO MULTIPLE EMERGENCIES ACROSS THE WORLD

We are working with local Church organisations in Haiti to deliver emergency aid to people affected by the catastrophic earthquake and tropical storm. In the tragic situation in Afghanistan, we are working to ensure the safety of our local partners and their communities. You can read more about how we can all express solidarity with our sisters and brothers affected by these emergencies on the CAFOD website:

<https://cafod.org.uk/News/Emergencies-news>. Your compassion, generosity and prayers have helped us to stand together and enable us to continue to support communities in these difficult times. Thank you.

DURING THIS TIME OF COVID, visiting of patients by the RC Chaplain has been suspended except for End-of-Life situations. However, support for patients, family members and hospital staff is still available from the RC Chaplain by calling, 10 am to 12 noon Monday to Friday, Fr Peter Nealon on 07770544959.

Symptoms Here is the current ranking of COVID symptoms according to the ZOE study:

1. [Headache](#)
2. [Runny nose](#)
3. [Sneezing](#)
4. Sore throat
5. [Loss of smell](#)
6. Fever
7. Persistent cough

REMEMBER if your health is not good and you are vulnerable, if you have any of the above symptoms you should stay at home.

Professor Tim Spector, lead scientist on the ZOE COVID Study app, comments on the latest data:

“The UK has enjoyed a restriction-free summer unlike most of Europe and even though a large majority of UK adults are now vaccinated, the rise in cases, as well as hospitalisations and deaths is one of the highest in Europe.

This is evidence that without at least some restrictions COVID will continue to spread. Fully vaccinated people are getting COVID, but not only are they often unable to spot the signs of infection due to the government’s outdated list of symptoms, we’ve seen evidence that the protection provided by vaccines is wearing off.

To help stop the spread, it’s still important for more of us to act responsibly by wearing masks in public, particularly in crowded places, washing our hands regularly, and trying to distance ourselves from others where possible.

The sharp increase in cases in Scotland following their return to school in August is a real concern, especially as children in England and Wales are now heading back. It’s likely that England and Wales will follow suit, helped by superspreader festival events, making it ever more likely that the summer wave will continue into the autumn. The question is - how high do numbers of cases and hospitalisations have to get before we recognise that COVID-19 remains a real threat?” To find out more click on <https://covid.joinzoe.com/>

Thank you for your continuing patience and support.
