

Little Sisters of the Poor
Caring for the elderly – inspired by our faith

Urgent Appeal

February 2024

Just before Christmas 2023 the Little Sisters, staff and 62 residents of Mount St Joseph's Care Home in Leeds, learned that our Home was unsafe due to the presence of Reinforced Aerated Autoclaved Concrete (RAAC) in 95% of the roof. We have had to make the heartbreaking decision to close the Home.

Our Home is set to be demolished and all our elderly residents must now find new homes.

We are faced with costs of over

£500,000

for metal girders and other safety measures to keep everyone safe until all our residents can be settled elsewhere.

PLEASE can YOU help?

'These unforeseen circumstances have left elderly members of our Diocesan Family feeling devastated. When Mount St Joseph's Care Home was built in 1971 it was said, "Let God's house be rebuilt in this Place". It is my earnest desire that the Little Sisters will be able to rebuild the Leeds Home with its unique Catholic ethos; key to that will be the financial support they receive now.'

I commend this appeal to you.
